

DOUBLE-PLY MEDIUM WEIGHT CUT RESISTANT SLEEVES

A range of comfortable cut resistant sleeves containing heat resistant properties.

FEATURES

- › Level 3 cut resistance (EN388)
- › Thumbhole prevents slipping and wrist exposure
- › Gives increased protection from cuts, slash, tear and punctures
- › Machine knitted double-ply medium weight sleeve
- › Comfortable and protective, the seamless knitted liner avoids skin irritation and is elasticated for extra protection
- › Machine washable
- › Available in three lengths - 10", 14", 18"
- › Ambidextrous

SUITABLE FOR

Typical Industries

- Aerospace
- Automotive
- Glass
- Manufacturing
- Paper and Pulp
- Plastics
- Steel

Applications

- Castings
- Handling Large Sheets of Materials with Sharp Edges
- HVAC
- Sheet Metal Handling

CERTIFICATION

See overleaf for explanation

PRODUCT INFORMATION

MATERIALS	LINER:	Para-aramid
	COATING:	N/A
COLOUR	Yellow	
LENGTH (mm)	10", 14", 18"	
CUFF STYLE	Elasticated	

ORDERING DETAILS

SIZE	CODE	PACKAGING
10"	JSK10H	96 pieces per case
14"	JSK14H	
18"	JSK18H	

RECOMMENDATIONS FOR USE

- It is the responsibility of the end user and not the manufacturer to determine glove suitability for the intended use.
- The design of this sleeve does not offer any protection to the fingers and thumb. It is recommended therefore that a user should not wear sleeves alone to protect against heat hazards but should in addition wear hand protection of which every protection level is not less than that quoted for the sleeve. Do not subject to high speed or serrated blades. Do not use near moving machines if there is a risk of entanglement.
- Storage: Gloves should be ideally stored in cool, dry conditions in original packaging and away from direct sunlight.
- Cleaning/Maintenance: Both new and used gloves should be thoroughly inspected before being worn to ensure no damage is present. Gloves should not be left in contaminated condition if reuse is intended in which case gloves should be cleaned as far as possible. If appropriate, decontamination may take place under lukewarm water using laundry soap and detergent. Don't use chlorine bleaches.
