ULTIMUS LITE™

PRODUCT INFORMATION

MATERIALS	LINER:	HPPE
	COATING:	Nitrile Foam
COLOUR	Black/Light Grey	
LENGTH (mm)	280-340 (size dependent)	
CUFF STYLE	Elasticated	

ORDERING DETAILS

SIZE	CODE	PACKAGING
7/S	SKY681	10 pairs per bag 120 pairs per case
8/M	SKY682	
9/L	SKY683	
10/XL	SKY684	

RECOMMENDATIONS FOR USE

- It is the responsibility of the end user and not the manufacturer to determine glove suitability for the intended use.
- These gloves resist cuts but are not cut proof. Do not subject to high speed or serrated blades. Do not use near moving machines if there is a risk of entanglement. Not for use with liquids.
- Storage: Gloves should be ideally stored in cool, dry conditions in original packaging and away from direct sunlight.
- Cleaning/Maintenance: Both new and used gloves should be thoroughly inspected, before being worn to ensure no damage is present. Gloves should not be left in contaminated condition if re-use is intended. Not recommended for washing or cleaning as the performance characteristics may differ to washed or cleaned gloves.
